Math 120 Written Homework Assignment List

Intermediate Algebra

On the day of every exam you are to turn in a binder with all sections assigned below and this sheet is to be placed at the front of the binder with your name on it at the beginning of the class period before each exam.

For each exam, you are to complete the problem sets in the "Problems" column for each section assigned.

Make sure your HW meets the following requirements.

1. Each section must start on its own page.
2. Please print the section number and list all the assigned problems at the top right corner of each page.
3. Staple every assigned section individually and place them in order in your Written HW Notebook or it will not be graded.
4. Don't forget to complete the Chapter tests when they are assigned.
5. Place this sheet at the front of your Written Homework Binder when you submit it for grading.

This will be graded for neatness and completeness (not necessarily for correctness).

Example:

 Staple	Ben Folds Math 120 MWF 8:50am Sec. 2.1 1-59 eoo	 Staple	Ben Folds Math 120 MWF 8:50am Sec. 2.2 3-37 eoo

EEO means "every other odd". For example a list of eoo is (starting at 1): "1,5,9,13,17,21,25,29,33,37,41,45,49,53,57,61,65,69,73,77,81,..."
